

# Open Photographic competition 'Marine Conservation - the good, the bad and the ugly'

Photos should illustrate some aspect of marine conservation – they could include wonderful coastal landscapes worth conserving, people working with conservation, marine or beach pollution or litter, marine related animal or plant species at risk.....let your imagination roam!

**Rules:**

1. Each photo must have a British marine conservation related theme and must be the original work of the entrant who must also own the copyright.
2. Photographs must be submitted as prints maximum size A4 and may be mounted or unmounted and should have entrant's name, address, age (if under 16), camera used and class entered on reverse.
3. Entrants may submit a maximum of three prints which should be accompanied by a single entry form (below) and fee (per person) of £5 per adult or £2 junior.
4. Closing date is Friday 18<sup>th</sup> July 2008

- Class 1** Land, adult
- Class 2** Land junior (under 16)
- Class 3** Underwater adult
- Class 4** Underwater junior (under 16)

The winning and highly commended photographs will be displayed and prizes presented at Wembury Marine Centre from 9<sup>th</sup> to 16th August and then the photographs displayed at a venue in Plymouth city centre. All profits will go to the Marine Conservation Society and the Wembury Marine Centre.

**Judges:** Neil Hope, Western Morning News  
 Peter Rowlands, underwater photographer  
 Paul Naylor, underwater photographer  
 4th judge to be appointed

**Prizes include £100 of vouchers sponsored by Bags2keep in conjunction with the London Camera Exchange
